New Cars Must Have Safety Glass

SACRAMENTO.—Safety glass becomes an essential part of a motor vehicle in California with the beginning of the new year.

E. Raymond Cato, chief of California highway patrol, today announced that on and after January 1, 1936, no person shall sell any new car nor shall any new car be registered unless it is equipped with an approved type of safety glass in partitions, doors, windows or windshields.

Before a new motor vehicle can be registered in 1936 dealers must file an affidavit with the department of motor vehicles affirming that safety glass requirements of the law have been met, according to Cato.

Perilous Auto Toll Seen

STONEHAM, Mass. (U.P.)—If automobile accidents continue at the present rate, one child in every family will eventually be killed or injured, according to Maurice J. Bonia, automobile production manager of the American Policyholders' Insurance Company.

Toyon Berries Are Protected By Law

Holly berries—Toyon to scientists—are the forbidden fruit in Los Angeles county this jolly Christmas season, while mistletoe, much prized by men and maidens with osculatory tendencies, can be had for the plucking.

This is the gist of an announcement this week by County Forester Spence D. Turner, who warned that the scarlet berries must be admired in their native haunts unless the would-be plucker obtains a permit from the individual property owner or, in case of public domain, from the federal forest service.

Holly berries are plentiful this year, as the result of protective county and state legislation, Turner said. He declared the berry is not only a seasonal decoration but also has proved a protection against erosion of watersheds. Maximum penalty for illegal plucking of the berries is a \$500 fine or six months in the county jail.

New Drug Store To Open Friday

Coming to Torrance in time for the Christmas business, Roland Blakeman is opening a out-rate drug store Friday morning, December 20, at 1326 Sartori avenue, directly across from Woolworth's.

Mr. Blakeman was formerly associated with the Brunswick Drug Co. of Los Angeles, and for many years has done nothing but open new stores for the firm. The store in Torrance, however, is being opened and operated by Mr. Blakeman and is the first one he has owned. The store will be known as the R. E. Cut-Rate Drug Store and is unique in that it has no soda fountain and will not serve food.

Mr. Blakeman is now living in Los Angeles but intends to move to Torrance with his wife as soon as suitable quarters can be found.

Dillinger Victim Now Mayor FOSTORIA, Ohio. (U.P.)—Frank P. Culp, former police chief, who was wounded by Dillinger gangsters during a bank holdup several years ago, has been elected mayor of Fostoria. He is a Democrat.

Aids Colonists

Serving as an emissary of good health and bearing Christmas gifts for all the children in the Mantanuska Valley Land Colony, Miss Pearl V. Williams, Red Cross nurse, left San Francisco Thanksgiving Day bound for the northern colony.

Tournament of Roses Parade Starts Promptly At 10 A.M.

All of Southern California is eagerly anticipating the Annual Tournament of Roses parade—themed "Highlights of History in Flowers"—to be held in Pasadena on New Year's Day, reports the touring department of National Automobile Club.

New Ordinance Requires Double Publication

Applications For Rock Crusher Permits Published In 2 Papers

The first publication of duplicate notices now required by the county on applications for rock crusher permits and similar plants was ordered this week by the board of supervisors.

The notices will concern the application of C. B. Hollingsworth for a permit to establish a sand, rock and gravel plant in the Palos Verdes Hills, east of Cypress street, south of 282d street. Insertion of the required legal notices has been ordered by the board of supervisors in the Torrance Herald and the Lomita Progress, both of which circulate in the area that would be affected by the proposed plant.

Hearing on the application for the permit is scheduled for Monday, January 3, at 10 a. m., before the supervisors on the fifth floor of the Hall of Records.

Provisions of the new county ordinance provide that the applicant for such a permit must deposit the cost of the advertisements with the supervisors at the time of making his application. At that time, the cost of inserting the advertisement in two newspapers of general circulation, at least one of which must be in the district affected, will be taken by the supervisors, thus guaranteeing the newspaper publisher the amount of his bill.

Since 1889, this spectacular event has been held on each New Year's day, attracting worldwide attention. Millions of fresh flowers and contrasting greens are lavishly used to decorate the scores of floats. Banks of sweet peas, delphinium, marigolds, chrysanthemums, heather, lilies and roses and even the precious orchids and gardenias spill their fragrance everywhere.

The parade is scheduled to start at 10 a. m. at California street and Orange Grove avenue, north on Orange Grove to Colorado, east on Colorado to Hill avenue, south on Hill to Tournament Park, where the floats will be on exhibition through the evening.

Motorists arriving in Pasadena early should park north of the parade lines if they are going to the game. Considerable parking space is available. Help the authorities by parking as soon as possible and avoid driving around the streets.

The Colorado street bridge will be closed from 9:40 a. m. until the parade is over.

Christmas Tree Row, one of Southern California's most outstanding holiday spectacles, will again charm the populace. Over a mile of stately evergreens lining Santa Rosa avenue in Altadena are annually garlanded with countless twinkling, jeweled lights, making the avenue a wonder to behold. The trees will be illuminated every evening between 5:30 and 10 from Christmas eve to January 1, inclusive.

Veteran Returned To Hospital

Joseph Nelson, 1916 Riverside boulevard, Redondo Beach, who has been a patient at the veterans' hospital at Sawtelle, was apprehended in Torrance Monday on a charge of petty theft. Nelson was detected in the act of stripping a car on Cedar avenue. In view of his condition, Nelson was not tried but was released to an officer from the veterans' hospital, from which institution he had disappeared several days ago. It is said that during the World War Nelson had been wounded in the head with a piece of shrapnel, and is at times irresponsible.

Cookies For Christmas

Ice box cookies are particularly appropriate for the holiday season, because the mixture can be prepared ahead of time and stored in your refrigerator.

Then, at the last minute, when time is so precious, the cookies can be sliced and put in the oven without any fuss. And they always taste so much better when freshly baked.

When friends drop in, a few dainty cookies, served with a glass of port or sherry, create a simple but charming bit of hospitality.

Here is an unusual and especially good recipe:
Almond and Orange Ice Box Cookies

1 cup butter
¾ cup brown sugar
½ cup white sugar
1 egg, beaten light
1 tablespoon grated orange rind
2 tablespoons orange juice
¾ cups flour
¼ teaspoon soda
½ teaspoon salt
½ cup chopped almonds (blanched)

Cream butter and add sugar. Sift flour, soda and salt together. Combine all ingredients. Form into a roll, and place in your refrigerator. When ready to use, slice very thin and bake in a slow oven.
